## TRANSPORTATION:

Transportation between the Helsinki international airport (HEL) and the official hotel will be provided by the organizing committee upon request. Transportation fee is 80 EUR per person payable at the competition office upon arrival.

Daily transportation between the official hotel and the shooting range is arranged.

## ACCOMMODATION:

Earlier years we have been able to offer accommodation in the hotels in Lahti. This year however the Finnish Championships in track and field is held in Lahti at the same time as our competition. This is a very huge competition and practically all hotel rooms in Lahti are already booked for this event. Therefore we cannot offer any official hotels in Lahti this year. The official hotel is Hotel Scandic Vierumaki at the Finnish Sports institute and Country Club (the same hotel that was used during the 2012 European Championship in 10 m events). Vierumaki is situated approx. 50 km from the shooting range. Daily transport is arranged between the official hotel and the shooting range.

Information about the hotel and the outdoor and indoor activities Vierumaki has to offer can be found at:

Hotel Scandic Vierumaki: [www.scandichotels.com/vierumaki](http://www.scandichotels.com/vierumaki)  
Finnish Sports institute: [www.vierumaki.fi/lang](http://www.vierumaki.fi/lang)

Hotel Scandic prices:

Single room/night	90 EUR
Double room/night	100 EUR

Also the Scandic in Vierumaki is very pressed for rooms due to the Finnish Championships so we have had to reserve a quota which we need to fill **by 6<sup>th</sup> of July** or we will have to let them free. Therefore binding room reservations have to be made **through the organizing committee ONLY** with the attached form 6<sup>th</sup> of July the latest. After this date we cannot guarantee accommodation.

## CUSTOM REGULATIONS AND WEAPONS CLEARANCE:

The organizing committee will apply for temporary group gun licenses for each federation not travelling with EU Gun Passports. The gun declaration forms to fill will be sent to you upon request. The gun licence fee for each federation is 27 EUR. The organizing committee will advance this fee for each

federation. The fee is payable at the competition office upon arrival.

European Union citizens are advised to apply for an EU Gun Passport. Groups where all shooters are travelling with gun passports are not subjected to the licence fee.
